

# Fabulo® Extension Ladder

- Two-piece aluminum rung ladder for working at high working heights
- 16-fold bracing of the rung/rail joints ensures maximum stability and long service life
- Sturdy steel guiding profiles enable the convenient extension of the ladder
- Completely profiled rungs for safe ascent and descent
- Self-locking hooks prevent the unintentional detachment during use and transport
- Non-slip, 2-component footcaps: The hard component ensures a strong connection of the cap with the rail; the soft component provides a strong surface stiction and prevents slipping of the ladder
