

Mobile Working Aluminium Platform

- More safety due to the hand rail. The ergonomic form does not impair the elbowroom
- Two casters for safe and easy transport
- Stable, welded aluminium tubular design from solid aluminium
- Depth of steps 240 mm, channelled plate aluminium steps guarantee safe ascending and stable foothold
- Upper floor space 305 x 520 mm
- Suitable for e. g. maintenance and assembly works
- Non-slip foot caps

Spare parts:

- Set of casters (2 pieces) Art. No. 805126
- Hand rail (piece) Art. No. 805119
