

STABILO®

Multi-Purpose Ladder

- Two-piece aluminium rung ladder with the practical triple function: Usable as leaning, extension ladder or free-standing double ladder
- Completely profiled large dimensioned rungs for safe ascent and descent
- High-alloy aluminium guides and fittings
- Guide fittings with integrated sliding parts around the rails ensure high stability and easy operation
- Self-locking hooks prevent the accidental dislodgement of parts during use and transport
- Two weather-resistant safety straps with upright screwed and spark repelling metal latches prevent unintentional folding of the ladder
- An extra wide horizontal stabilizer bar provides safe foothold when standing for all applications
