

MONTO[®] Double-sided standing step ladder **SePro[®] D**, anodised

The main benefit of this aluminium step ladder is its long lifetime and cleanliness due to its anodised side rails and its beaded steps.

- + Large platform with a depth of 125 mm suitable as storage area
- + Easy to clean abrasion-resistant anodised ascending and supporting rails to prevent hands from getting dirty
- + Sturdy, impact-resistant metal hinge connections
- + High-strength beaded step/side rail connections
- + Large, anti-slip, profiled and floor protecting foot caps

i Due to its smooth surface, anodised ladders prevent hands from getting dirty and are extremely easy and quick to clean
