

## MONTO® Standing step ladder **SePro® S** anodised

First priority for this aluminium step ladder is its long lifetime and cleanliness due to its anodised side rails.

- + Top rail with integrated bucket hook and tool holder
- + High ergonomically shaped top rail with integrated bucket hook and tool holder
- + Easy to clean abrasion-resistant anodised ascending and supporting rails to prevent hands from getting dirty
- + Extremely safe non-slip aluminium safety platform with extrem fine profiled surface
- + High-strength beaded step/side rail connections
- + Anti-slip, profiled steps
- + Large, anti-slip, profiled and floor protecting foot caps

**i** Due to its smooth surface, anodised ladders prevent hands from getting dirty and are extremely easy and quick to clean.
