

# STABILO® Professional

## Standing step ladder with extra large platform

This aluminium step ladder has an outstanding performance both when it comes to safety and multipurpose use

- + Extra high (1.0 m) ergonomical top rail with an integrated tray for back protection while at work
- + Size of extra large platform: 500 x 450 mm
- + Sturdy stabiliser with integrated transport castors for extra safety and easy transport
- + With hand rails on both sides for safe ascent and descent
- + Easy to move when assembled
- + Easy and quick to fold for transport and requires little storage space
- + Integrated pull and push resistant spreader braces for maximum safety
