

## Railing modular system

- + Due to a wide range of single components the railing is versatile and suitable for many different applications
- + Easy to assemble as all components are simply screwed to another
- + Extremely sturdy due to its aluminium tubes with an outer diameter of 40 mm
- + Attractive design as a result to its high-quality rail tube connectors

On request, guardrails can also be supplied powder-coated in various RAL colours (Standard: plain aluminium)
