

Ridge anti-roll bar, mobile

This ridge anti-roll bar fastens roof ladders securely on roofs without requiring roof hooks

- + To set up roof ladders quickly and without requiring tools
- + With protective wooden bearer bar to protect roof tiles
- + The large, pneumatic-tyred wheel (Ø 260 mm) ensures that the bar can be easily manoeuvred on the roof tiles
- + The high clamp prevents the ridge from getting damaged and allows working on different roof pitches
- + Large cross bow enables gentle turning over the ridge

To manoeuvre on the roof only one ladder section has to be attached to the the anti-roll bar
